### Order Status

Order Status is made available when the Distributor sends the information to Supply America.

#### Blank Field

If there is no status displaying, the Distributor has not yet furnished details. Please reach out to the Distributor with questions on the status of your purchase

#### Stages

The Distributor will report the status of your order as follows:

- **Processing**

The Distributor received the online purchase from Supply America and is taking steps to fulfill the order..

- **Shipped Partial**

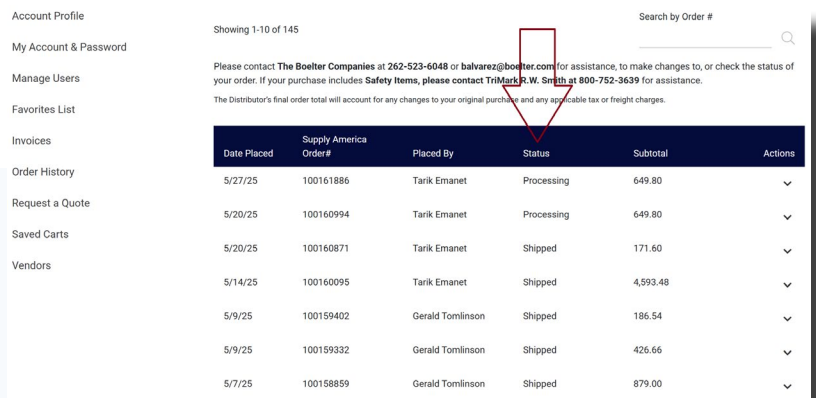

One or more items in the purchase are backordered or delayed. The Distributor has shipped available items, making the order partially fulfilled.

- **Shipped**

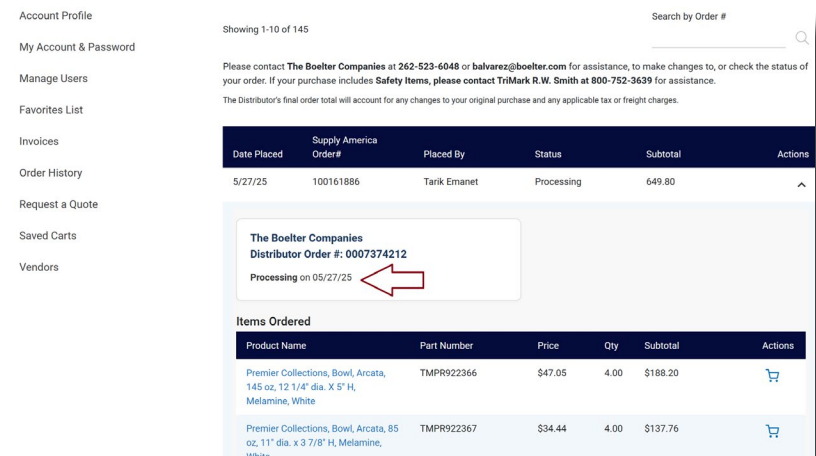

After all items in the purchase are fulfilled, this constitutes a completed order.

- **Cancelled**

If you or the Distributor cancel an order, this will display as the status.
