Order Status - Blank Field

If there is no status displaying, the Distributor has not yet furnished details. Please reach out to the Distributor with questions on the status of your purchase.

Stages

The Distributor will report the status of your order as follows:

• Processing

The Distributor received the online purchase from Supply America and is taking steps to fulfill the order.

• Shipped Partial

One or more items in the purchase are backordered or delayed. The Distributor has shipped available items, making the order partially fulfilled.

• Shipped

After all items in the purchase are fulfilled, this constitutes a completed order.

• Cancelled

If you or the Distributor cancel an order, this will display as the status.
